Notice: OPRHS 20-004

Distribution Date: March 23, 2020

Subject: COVID-19 Expense Tracking

With the impact of COVID-19, the Department of Housing understands that each of you may be experiencing additional costs due to the added cleaning and sanitization services, extended security, etc.

If you have not already done so, please begin tracking these costs associated with COVID-19, including additional staff hours. We anticipate funding from the Federal Emergency Management Agency (FEMA) becoming available in the near future, but we are not certain which costs will be covered, or how. Nevertheless, it will be important that you document these costs should the opportunity become available.
